

Mo Johnson has always loved sports, especially the Southeastern Conference variety. So, in October 2006, he started <http://www.secsportsfan.com>. It started as a small hobby, but surprisingly really took off. In fact, **SEC Sports Fan** now gets more than a million visitors a year. In 2008, Mo bought <http://www.sectalk.com> and followed that up in 2009 by starting <http://www.best-all-time.com>.

By 2010, Mo understood the great potential (and fun) in building sports websites -- but had run out of time to build more himself. So, he partnered with Paul Grossinger to develop <http://www.thebestsportsblog.com>; <http://www.thebestfootballblog.com>; <http://www.thebestbasketballblog.com>; <http://www.thebestbaseballblog.com>; <http://www.thebestboxingblog.com>; and <http://www.thebestnysportsblog.com>.

Today, the adventure continues. Where it all will lead, who knows? But, Mo looks forward to enjoying the ride. You can contact Mo through contact forms on all his sites or at [thebestsportsblog\[@\]gmail.com](mailto:thebestsportsblog@gmail.com).
